

Destroying Strongholds
2 Corinthians 10:3-6
Pastor Rick Edwards

1. Strongholds can be ideological, relational, emotional spiritual etc...

- **A stronghold is an area of weakness that we struggle with over and over again.**

The devil does not want us to think clearly about sin. He wants to keep things vague so he can imprison or disarm us. But Jesus wants us to think clearly. He wants us to know the truth because the truth brings freedom John 8:31-32

2. Our bodies are temples of the living God and anything that controls us makes us slaves to something other than God. Romans 6:12-14, 1 Corinthians 6:19-20

3. We tear down and destroy strongholds through the Word of God and the Power of Prayer.
Ephesians 6:17-19 2 Corinthians 6:1-7

Prayer of deliverance: I have been bought with a very high price. I am valuable and have been set free. I no longer need to be a slave to anyone or anything. Likewise, I am not condemned for anything I have done or that has controlled me, because I am forgiven in Christ Jesus. His law of the Spirit of life has given me total freedom from the law of sin and death.
