

Do You Want To Get Well
John 5:1-15 ESV
Pastor Rick Edwards

How to Get Well

1. Take your eyes off the clock and get them on Jesus V 5-6

- **The hardest part a trial is not its depth or darkness but its duration.**

How do you get your eyes off the clock and on Jesus?

- **Dismiss the lie**
- **Determine to wait Psalm 62**
- **Devote yourself to prayer Colossians 4:2**

2. Take your mind off the obstacles and get them on Jesus V6-7

We lose hope because:

- **It's a hassle**
- **It's hard**
- **It hurts**

3. Take your faith off the formula and get it on Jesus V9

4. Take your sin off the table and give it to Jesus V14-15
