

Turning Water Into Wine
John 2:1-11
Pastor Rick Edwards

The miracle principle

GOD INVOLVES US IN DOING SOMETHING EXTRAORDINARY

“They filled them to the brim!” V 7

**Only God can touch the ordinary and bring it to life and multiply it.
Our role is to bring what we have and trust God with the results**

(A few Fish, A little oil, Empty Jars etc...)

How exactly did this miracle point to Jesus’ glory?

1. It was a miracle of creation

Read the sign! **Jesus creates things!**

Jesus showed that He was Lord over nature and Lord over time.

2. It was a miracle of transformation!

Read the sign! **Jesus changes things!!**

Like water being turned into a high quality wine, He brings a new a different quality to our lives

How can we experience His wedding miracle in our hearts?

“His disciples put their faith in Him.” V 11

- **Whatever Jesus says do DO IT**
- **Whatever Jesus says bring BRING IT**

Note the different people and how they responded to this miracle:

- Mary **invited** the miracle (by **interceding**)
- The servants **participated** in the miracle (by **obeying**)
- The steward and guests **enjoyed** the miracle (by **drinking**)
- The disciples **believed** in the miracle worker (they **put** their faith in Him)
